

Jonard Tools' Technician's Tool Bag Backpack features 36 organizer pockets and 12 pocket straps to hold all your tools in place with a durable water resistant base to protect it from the elements. It also has a hard, molded front pocket for delicate items, like safety glasses, and a front zipper to hold loose parts. This backpack also features the following:

- 48 tool storage pockets provide tons of space for all your tools
- Conveniently stores and protects laptops/tablets with a designated interior sleeve
- Hard, molded front pouch protects safety glasses or other delicate items
- Front zipper pocket with tool straps and hook and loop strip conveniently holds small parts and tools
- 20" high bag provides ample room for long screwdrivers and tools
- Fully molded hard plastic water-resistant bottom protects the bag from the elements
- Brilliant blue interior makes it quick and easy to find your tools
- Shoulder straps with added padding for extra comfort and easy carrying
- Made from an ultra strong 1680d ballistic nylon material to resist scratches
- Tools sold separately
