

Stencil, Squeegee & Misprint Cleaner ScreenClean Presaturated Wipes

- Engineered for removing inks • ESD-safe, residue-free • Plastic-safe
- Excellent replacement for methylene, chloride, acetone & other ink-removing solvents
- No rip. No lint. Heavy duty wipe.
- Unique “slam-shut” package for extra long service life
- Unlimited shelf-life

Product Information

Stencil, Squeegee & Misprint Cleaner - *ScreenClean* is a cost-effective cleaner for removing thick-film pastes, partially cured epoxies and most inks used in screen printing operations. Using a strong, shred-proof disposable wipe saturated in a powerful cleaning fluid, it quickly breaks down the molecular bonds in inks and pastes for fast and enhanced cleaning. It is safe on all types of screens and plastics and will not cause damaging fragile emulsions. Its slow drying time allows for a more thorough cleaning. Use for perfectly clean stencil screens and associated machinery, squeegees and work surfaces.

AVAILABILITY: Stocked by MicroCare distributors world-wide. Contact MicroCare for a distributor near you. For more information contact MicroCare directly or visit www.MicroCare.com.

Technical Details and Cleaning Data

Boiling Point	120 °C / 249 °F
Chemical Family	Hydrocarbon Solvent
Cleaning Strength (KB value)	115 (est.)
Evaporation Rate	Slow
Odor	Mild Alcohol
Percent Volatile	100%

Health, Safety and Environmental Data

Flammable	Yes
Flashpoint	48.9 °C / 120 °F
NFPA	Health: 1 Fire: 2 Instability: 0
RoHS and WEEE Compliant	Yes
REACH	Yes*
US EPA SNAP-Approved	Yes
GHS / HCS Pictogram	

Packaging

Presaturated Wipes ³ 443 mls. fluid content	100 - 5" x 8" Wipes MCC-CDIW
Recycle
