1.25 CleanClicker™750
(MCC-CCU125)

Refill Cartridge
(MCC-CCR125)

Product Features:

- 750+ cleans & refillable - for lowest cost per clean
- Cleans dust, particulate & oil contamination
- Fast click-to-clean LC and MU adapters
- Part of the industry's most complete line of fiber optic cleaning products
- Easy-to-use on outside plant & premise networks

The Sticklers™ CleanClicker™ 1.25mm fiber optic connector cleaners are the latest cleaning innovation from the experts at Sticklers. These rugged, precision cleaners use a smooth click-to-clean push-action with light tip forces to reduce the risk of end-face damage. With over 750 cleans, the Sticklers CleanClicker is perfect for cleaning any size network, any installation; from single to thousands of connectors. Sticklers CleanClicker cleaners are packaged and color-coded by connector size to help users quickly ensure they have the right cleaner for the connector at hand.

Cleans LC and MU connectors, on jumpers or in adapters, with UPC or APC polishes. Refill cartridges also perform 750+ cleanings, with a 30% savings over the cost of a new cleaner. Sticklers CleanClicker fiber optic connector cleaners deliver the best cleaning at the lowest cost-per-connector, every time.
